Changes at Bootlegger's...

Sorry we haven't been in touch with you via our newsletter for a number of months. We've been busy working on our New Menu and changing things up in our kitchen. We think you will truly enjoy our new menu if you haven't already tried it out. Visit our website to get a copy of our menu at www.bootleggerssupperclub.com You will find over 15 NEW items on the menu!!

In addition to our new menu you will find lots of new things at Bootlegger's. Here are a few new changes we are very proud of. We have moved Dana Skogrand into the kitchen where she works primarily preparing meals on our line. She has handled the transition well and truly enjoys cooking. We have added Dana's father Jim's Hash Browns (from Jim's & Donna's Café in Maynard) to our menu as a side order choice. Even though other places "claim" to serve Jim's Hash Browns Dana wants everyone to know that Bootlegger's is the real home of Jim's Hash Browns and the only place that uses Jim's original hash brown pans and recipe. Bootlegger's is also the only place where a member of Jim's family actually cooks the hash browns too!

We are also pleased to have also added Steve Christensen to our kitchen staff. Steve brings many years of cooking expertise to our staff. He truly enjoys cooking and sees it as an artistic outlet. Most recently Steve has worked at Ernie's on Gull Lake. Prior to that he has worked at Prairie's Edge and Jackpot Junction Casinos. Steve also was a mainstay at the Sheep Shedd in Olivia for many years. Welcome aboard Steve!
